

MONGIOVI ORTHODONTICS IS CLOSED

Dear Patients and Families,

The current situation regarding COVID-19 (Coronavirus) in our area is certainly evolving. Given that safety is a primary concern for all of our patients and staff and that it is important that we are all following guidelines from national, state, and local officials, I have decided to **close our office from March 17th through April 4th**. This decision has not been taken lightly. We want to do our part in following recommendations and assist in locally preventing the spread of the virus.

All regularly scheduled appointments for during this time (March 17th through April 4th) are now canceled. We will contact each patient individually, in the near future, to reschedule appointments. For anyone currently in active treatment, please continue with good, routine home care and follow hygiene instructions. Please avoid all hard, sticky, chewy foods to minimize unnecessary breakage. Please know that we are always available for emergency care. If you have a problem, simply call our office so that we can address any concerns.

My staff and I appreciate your understanding as we work together as a broader community to keep each other safe and healthy. We are hopeful that this difficult time will pass quickly. We realize that many things are being canceled and that this may be an inconvenience, but we ask for your patience and understanding as we all work towards getting back to a normal, healthy routine.

Sincerely,
Dr. Mongiovi
